THE AQUASANA 90-DAY “PURE SATISFACTION” GUARANTEE

At Aquasana, our sole focus is providing best-in-class water filtration products so every home can enjoy healthy, great-tasting water. We're so confident you will love your Aquasana filter that we offer a 90-day, no questions asked, trial period.

At any time within the 90-day trial period, which begins on the day your order is placed, you may call or go online to request a Return Authorization Code (RAC). This code entitles you to a full refund of the purchase price for the product(s) you ordered, no questions asked. All you have to do is write this code on the outside of the package and return it to us, and we'll gladly refund the full purchase price of the returned product. Please note — you are responsible for return shipping costs. The RAC must be prominently displayed on the box exterior. Your return must be received by Aquasana within 21 days of the RAC number being generated. We will not accept unauthorized returns.

This offer is only applicable for products purchased directly from Aquasana.

What is not covered: Labor costs to install or replace the system or filters.
